Modalities:	Face to Face
Prerequisite(s):	Completion of EDU 101; minimum 3.0 GPA
Corequisite(s):	None
Times for Credit:	1
Grading Option:	Both A/F and S/U
Credit Breakdown:	1 Lecture 1 Practicum
Cross Listed:	N/A
Learning Outcomes:	<ol style="list-style-type: none">1. Identify the specific educational needs of and resources for a particular student or cohort of college students.2. Create a plan of action for addressing specific student needs previously identified.3. Develop a record of proposed and documented work in progress.4. Establish an informal research project which provides information about individualized educational concerns.
Standards:	<ol style="list-style-type: none">1. Given a specific student profile, identify the specific educational needs of that student, resources for assisting that student in achieving educational goals, and a plan for how to implement that process.2. Complete an informal research project providing information about individualized educational concerns (i.e. learning styles, basic academic foundational learning, comfort and assimilation into college life, etc.).

3. Create a systematic tutoring log and journal that accurately reflects educational plans and student participation in tutoring sessions. Tutors will provide examples from work experience to use as points of reference in order to show that their tutoring skills have advanced over time.

4. Create a detailed educational plan outlining the intended outcomes of tutoring intervention and the process by which the outcomes will be achieved.

**AGEC/Special
Requirements:**

None
